

Impact for Change

Awesome People, Awesome Youngsters, Awesome Memories.

Spectacular Sports Day.

What a day!

All the planning and preparation was paid off on the 25.8.19 with a superb day for everyone. We held our first Impact for Change Sports Day and dog show, raising a phenomenal £84 for Dogs Helping Kids our charity of the year.

Family, friends and pooches all came to watch the entertainment. The dog show was judged by Angela and Lorna, which certainly made us comparable to Crufts!

Unfortunately for Russell and despite the enormous efforts of Holly Farm and Property Services they couldn't beat Luton Lane Farm. Who became our annual "Sports Day" champions.

POD CAST

We were really lucky this month to interview 2 awesome people for our Podcast. Frank Turner, the rather epic indie singer and Claire Winters Deputy Director of Children's Social Care for Somerset. Both were really brilliant days, thank you so much Frank and Claire! All podcasts can be heard via our website home page.

Calling all Social Workers

We still haven't had any uptake from our young people's social workers in accessing Tapestry. Come on, give it a go it's a brilliant way of keeping up to date with our young people's progress. If you are having problems logging in contact Clare 01805 603074.

Team Activity Incentive:

Sam and Chloe won the activity incentive for August! Come on people lets give them a run for their money!

This month, in a nutshell.

A brief overview of our month at Impact for Change:

This summer holiday has been a fun filled, excitement packed 6 weeks. I really don't know how you guys and gals have managed to fit so much into the 6 weeks!

We would like to say a massive welcome to E, who has moved into Luton Lane Farm.

R and K have been doing loads of things together, such as Splash Down, visiting Weymouth and Kayaking. K has been up cycling plastic bottles, visiting Bristol Zoo and brilliantly bathing Gizmo! R has been equally busy, going to Monkey World, the arcades and more impressively catching a 23lb carp! H has been busy looking after his horse. H also asked spectacular questions when he joined us in interviewing Claire Winters for our podcast.

S is currently camping around France, which is a lovely end to the summer holidays! S has been driving JCB's and visiting Flip Out over the past 6 weeks!

E has been equally busy, decorating stones, visiting Smyths (an almighty toy store!), watching the Lion King and making volcanoes!

We would like to say hello to Charlie and Zoe who have joined us this month working at Luton Lane Farm.

The team members of the month are:

Holly Farm- Shane Pulling.

Luton Lane Farm- Tom Jenkins.

Property Services- Paul Hosker.

They have been nominated by their line managers for showing, promoting and instilling the Impact philosophies. Well done folks!
